REMINDERS

1. PAYMENT POLICY REMINDER

As we shift into the fall, Elevate would like to remind you of our late payment policy: **Tuition is due on the 1st of every month**; there is a **twenty-dollar late fee for all declined credit cards**. Please make sure your card is up to date on Jackrabbit's student portal or contact us directly to update your billing information.

2. Absences & Tardiness

We understand that life is busy and that things do come up. It is important to **communicate with your instructor and/or Jacque if you will not be attending class at least 24 hours prior to the scheduled class date so that we can put you in an available make-up class.**

3. Sign Up for Elevate Remind Account

We know some of you prefer to receive news over text rather than email, so Elevate has recently opened a Remind account! This way you will receive text announcements of the big things happening here at the studio, such as workshops and shows!

To sign up copy the link into Google: remind.com/join/8d38g72

Or text [@8d38g72](https://text.me/8d38g72) to **81010**

CIRCUS FUN FACTS

- Circuses started out with acts like juggling and acrobatics and gradually evolved to include tricks performed by animals, including wild animals.
- In a circus, the term “aerial” refers to performance on some apparatus hung from the ceiling. It includes all sorts of fun things like cubes, rings, chandeliers, etc.
- Some estimations are that there are around 20,000 clowns in the world.

**If you know one of the circus facts, stop by the front desk for a treat!*
